Programming

Camp Gan Israel aims to offer campers the widest array of activities, trips, and educational programs. Our camp calendar features the exciting camp activities, and dress-up days that we have planned for your child/ren.

Do not send any spending money for trips. We will supply extra drinks and snacks. Campers will not be allowed to buy food on the trips.

Staff Appreciation

Our counselors are closely chosen for their care, compassion and love of Judaism. They invest their summer to come give your child an unforgettable experience. We encourage parents to convey their appreciation to your child's counselor by giving them a tip at the end of your child's session or double session at camp.

We recommend the following tipping per child: \$25 for one week, and \$40 if your child attends two weeks, and \$54 or more if your child attends the full season. The choice and amount are yours, but we highly recommend and appreciate all those who show appreciation to our counselors. This applies to our head counselor as well, who will be devoting so much energy to making each day the success it will be.
